TEST WINNER**

The Azure v.2 5.0 home theatre system wins a comparison test conducted by the best Swedish audio magazine "HemmaBio"!

5.0 systems tested:

TAGA Harmony Azure F-100 v.2/C-40 v.2/S-40 v.2

Heco Music style 5.0

Yamaha NS-F350 /NS-PC350 / NS-PB350

The Azure v.2 5.0 system:

"...For those who want a more realistic presentation of audio tracks, we recommend Taga Harmony. Can't say much about their sound balance, because it is neutral.

The most impressive with the Polish speakers is that they sound incredibly tight and neat and totally disappear in the soundstage. You sacrifice the deepest bass compared to the competitors, but in my opinion, Taga is the best all-round option as the whole..."
